

Happy Camper's Camping Club  
Christmas Party 12/8/24  
Elks Lodge Banquet Room

Twas the 8<sup>th</sup> of December, not just an ordinary day, for Kari & her elves were preparing the way. The music was playing all through the house with Vic as our DJ/MC though he is much bigger than a mouse. Every detail was perfectly met as all the tables were beautifully set. Even the walls were adorned with Christmas joy & the long table was filled with so many gifts, oh boy! The bar was open for a jolly good time though not necessary for fellowship this fine. The Happy Campers gathered with smiles on their faces & shared many embraces. The meal from Red's was ever so great & not a crumb was left on a plate. The dessert table came & we continued to eat with no sign of shame. The 50/50 raffle was generously met & as the winners will not soon forget. The grand prize went to Bill & Mary; "Happy Anniversary" from the camping club fairy! The time had come to open the gifts & many spirits this did lift. With Sally in charge & Debbie at her side we knew we were in for a very fun ride. Most of the gifts were liquid, some were pretty, some were yummy but the whole event was quite funny. In the end everyone left with a gift in tow & a happy heart to bestow.

A giant "Thank You" to Kari Sears along with all her elves that helped make this event so wonderful. Merry Christmas to all & to all a good night!
